

Swagelok Louisiana

Swagelok® Tube Fitting Installation Essentials

9243 Interline Ave • Baton Rouge, LA 70809 | (225) 926-5520 | BR.LA@swagelok.com

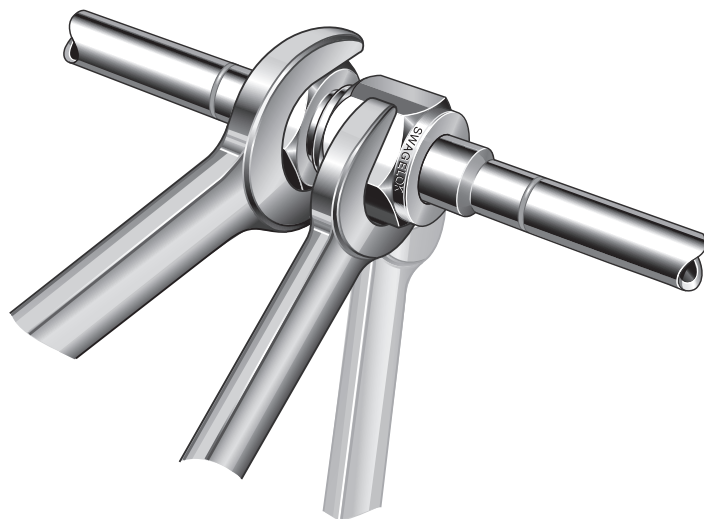

COURSE OVERVIEW

The **Swagelok® Tube Fitting Installation Essentials** course offered at *Swagelok Louisiana* is designed for professionals who interact with instrumentation; operators and technicians who install fittings; and engineers or draftsmen who design systems.

Attendees of this course will walk away with basic knowledge of tube fitting and tubing safety, all focusing on proper Swagelok tube fitting installation (turn and a quarter). Attendees will also gain knowledge about pipe lubrication and tubing tools.

COURSE CONTENT

- Advantages of tubing systems compared to pipe
- Criteria for tubing selection, such as environment, temperature and pressure
- Proper care and handling of tubing
- Proper assembly of fittings
- Gaugeability, re-tightening instructions and pre-swaging
- Familiarization with tube cutters, tube deburrers and tube benders
- Exercises that demonstrate time-saving fabrication techniques

ADDITIONAL INFORMATION

Course format can be customized to meet an individual's needs, and lasts 1 to 4 hours, depending on the depth to which each topic is covered.

Seating is limited so call TODAY to register for this exciting course!
